On the occasion of **Forest Day**, an occasion that resonates deeply with our commitment to environmental stewardship, We are writing to request permission and discuss remuneration for a tree planting initiative that aligns with our institution's ethos of sustainability.

In recognition of the significance of this occasion, We propose to spearhead an initiative to plant two trees within our premises. To ensure the successful establishment and growth of these trees, We have compiled a list of necessary supplies along with their associated costs:

Banyan Plant:			Organic Fertilizer:			Coco Peat:	
Quantity:	Unit Cost:	Total	Quantity:	Unit Cost:	Total Cost:	Quantity:	Unit Cost:
2	Rs. 120	Cost: Rs. 240	2 packs	Rs. 50 each	Rs. 100	1 pack	Rs. 90
	each						

The total estimated cost for procuring the aforementioned supplies amounts to Rs. 430.

Given the significance of this initiative in fostering environmental consciousness and contributing to the well-being of our community, We respectfully request approval for the procurement of these items.

Thanks and Regards,

2022 - 2023

Dear sir,

We had formed a team for UBA for conducting the Pilot Surveys in year 2022. The structure of this team is given below. However, after pilot surveys were done, this team was dissolved, as faculty has other commitments. At present, we are focusing on the grant work of SEG. It is about making awareness material on construction practices for sustainable development of villages.

There are only two faculty members, myself Ar. Shraddha Mahore Manjrekar and Ar. Rasika Apte working on this group.

Kind regards,

Dear Madam,
Greetings of the day!
As discussed today morning, tomorrow at 8.30 am we are going to visit our new workshop project site at Morgaon, Pune, under the "Center of Excellence" initiative. In our last semester also we worked with them for the "Community learning center at Camp, Pune" for SAANS foundation.
The details of the new site and workshop details are as follows,
Location of the site:-
Kudachi Shala, [Jejuri-Morgaon-Baramati road, Morgaon, Maharashtra 412304.](#)

About KUDACHI SHALA:-
Navi Disha Academy, Kudachi Shala, Morgaon, Pune.
Kudachi Shala begins where the conventional school ends!
Mr. Suresh Khopde a retired IPS officer has been culminating resources to put together this project on his ancestral land for four plus years now. This project is not just an open air museum but it is a work of his passion where resources and experts from all over India are brought together to put to the learners how the world began and coexists in harmony.
To develop this further with our architectural students and faculties innovative ideas with different kinds of materials they want to collaborate with us and wanted to do the workshop in terms of design, detailing, different local available materials etc. For that reason tomorrow we are going to visit the site to understand further details.
Kindly grant a permission for the same.

Thank you,

Dear Mr. Ninad and BRIKs,

A Memorandum of Understanding (MoU) has been signed between Pune Municipal Corporation and Bernard Van Leer Foundation (BvLF) for transforming Pune into a Child and Family-friendly city under Urban95 programme. Urban95 is a BvLF's initiative at global level to make lasting change in the landscapes and opportunities that shape the crucial first five years of children's lives.

Pune Urban 95 team and the Bernard van Leer Foundation would like to invite you to participate in the first Urban95 Amplifier Workshop, "**Progress towards child and family-friendly Pune city**" to be held in **Pune on July 22, 2019 at MDC Conference Hall IV, YASHADA starting at 9:45 AM.**

The AMPLIFIER workshop aims to discuss the findings, refine and frame the issues, and co-create solutions which will ultimately lead to the development of a master checklist for interventions that are conducive to young children and their families in Pune. **A concept note and agenda has been enclosed with this letter for your reference.**

For more details, you can contact with Pune Urban95 Technical Team Lead Mr. Rajat Uchil (rajat@taru.co.in, 09158391362)/ Mr. Suhail Chaturvedi (schaturvedi@taru.co.in, 09284657717) for further information and sending your confirmation.

Thank you and Best Regards

Suhail Chaturvedi

Dear Poorva ma'am,

Thanks for sharing this with me and Manali ma'am.

Based on the fact that how this workshop is going to be helpful to the selected four students, me and Ramiya brainstormed over the idea of selecting four students whose fourth-year RIA topics for the upcoming semester deal with the related subject of this workshop. Furthermore, I have discussed this idea with Manali ma'am and she also liked this approach.

The nominated students and their respective research topics from the upcoming fourth-year batch are:

- 1) Isha- The Impacts of Repurposing Underutilized Land on Urban Development.
- 2) Heet - Implications of Urban Design in Re-imagining Streets as Public Spaces
- 3) Dhruvi- Making Urban Fabrics More Humane: Investigating Pedestrian Movement on Major Road Junctions
- 4) Aayush- Significance of Parks and Recreational Zones in Housing

Furthermore, since some students are outstation students, I have checked their availability for attending this workshop on this Friday.

Kindly, let us know if the above strategy for selecting students is suitable so that we can plan their and my registration process accordingly by tomorrow itself.

**Subject: Invitation to Participate in the 2nd Capacity Building Workshop: Infant Toddler Caregiver (ITC)
Master-checklist under the Urban95 Program of Pune Municipal Corporation**

Dear Sir/Ma'am,

We are a dedicated team working on the Urban95 program, a collaborative initiative between the Pune Municipal Corporation and the Bernard Van Leer Foundation. Our primary objective is to promote the well-being of children aged 0 to 6 years and their caregivers in the city, with a specific focus on designing child-friendly cities.

We are delighted to invite you to the 2nd capacity building workshop on the Infant Toddler Caregiver (ITC) Master-checklist, a significant component of the Urban95 program. This workshop aims to sensitize stakeholders to the recently published "Infant Toddler and Caregiver Master checklist – A design child-friendly urban element handbook."

The workshop is scheduled to take place on **Friday, 7th July 2023**, at the Pandit Jawaharlal Nehru Auditorium and Art Gallery located on Ghole Road, **Shivaji Nagar, Pune**. It will be a **full-day event**, commencing at 10:30 am and concluding at 05:30 pm.

We are pleased to extend a formal invitation for up to **four students and one faculty member from your esteemed college to participate** in this engaging workshop. It offers a valuable opportunity to interact with stakeholders, Municipal Authorities, and Urban Design Consultants. During the workshop, you will gain insights into child-friendly design elements in streets, open spaces, schools, and healthcare centers.

Please note that the **workshop is free and there are no registration fees**, and all participants will receive a certificate of completion signed by the Pune Municipal Corporation. There will be high tea and lunch included for all the participants.

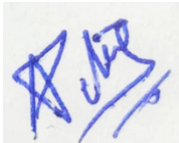

Kindly RSVP by 5th July to this email and if you have any further inquiries or require additional information, please do not hesitate to contact:

Name: Bhagyashree Ramakrishna
