Notice: Course on Internship and Portfolio for fourth year students,

Dear students,

This is to announce that the **Course on Internship and Portfolio** has been organized by the Internship Cell to guide students about drafting intent letters, creating impactful resume & portfolio, and teaching software skills required for the same.

The course would be conducted in two workshops, the details of the workshops are as follows:

Workshop 01: Intent Letter and CV making, 1st September 2023

The workshop aims to guide the students on writing intent letter and making clear, impactful CV & Internship Portfolio required for application for an internship. The focus of the workshop is to develop writing and graphical skills required for Internship applications.

Workshop 02: Portfolio Making, 22nd November 2023

The second workshop focuses to empower students with the skills and insights needed to craft compelling internship portfolios. The workshop will be conducted virtually on Google Meet platform, and with an objective of exploring the nuances of portfolio creation, with a focus on innovation, creativity, and simplicity.

The workshops would be conducted by Ar. Kanchan Shinde, Assistant Professor and Internship Cell Coordinator at SMEF's Brick School of Architecture. The details of each workshop will be shared soon. We encourage maximum participation from students to make these workshops successful.

Thanks & Regards

Dr. Poorva Keskar
Principal

Notice: Invitation to “Young Minds Connect: World Outside 2024”

Dear fourth-year students,

We are excited to invite you to an exclusive event tailored specifically for you: **“Young Minds Connect: The World Outside 2024”**. This event provides a unique opportunity to gain insights from our fifth-year students as they share their real-world experiences beyond academia.

Event details are as follows:

Date: March 1st, 2024 (Friday)

Time: 3:15 PM – 5:30 PM

Venue: NARI, Campus

During this session, fifth-year students will discuss their internship experiences, including projects, site visits, and other notable opportunities.

This is a valuable chance for you to gain deeper insights into the professional world and prepare yourself for the opportunities that await after your academic journey. We encourage all fourth-year students to attend and benefit from this enriching experience.

We look forward to seeing you there!

Thanks & Regards

Notice: Periscope session on Future Avenues

Dear Students,

The institute has organized an event on exploring **Future Avenues post B.Arch on 12th October 2023 from 3:15 PM to 4:30 PM**. The objective of the conversation is to present a range of professions associated with urban context and large-scale applications. The session is a collaborative effort between forth-year Urban Studies subject team and the Periscope Cell.

Three eminent personalities from the industry, practicing in various fields related to urban context would engage in a conversation with students. The aim of the conversation is to give exposure to students about the following areas of specialisation and understand the ground realities of the field:

1. **Ar. Ramchandra Gohad- Urban Planner**
2. **Ar. Abhijit Kondhalkar- Urban Designer**
3. **Ar. Shreamey Phadnis- Conservation Architect**

We seek maximum participation from students.

Thanks & Regards,

Dr. Poorva Keskar

Notice: Blueprints 2023: Alumni Panel Discussions

Dear Students,

The Alumni Association of the institute has come up with an exciting **Annual BRICK Alumni Meet, BLUEPRINTS, scheduled for the 4th and 5th of November, 2023**. This event offers you an exceptional opportunity to engage with our accomplished alumni through panel discussions and interactive sessions.

On **4th November**, alumni from diverse fields such as Architecture, Design, and Entrepreneurship will share their experiences and insights, helping you understand various career paths. The sessions will be conducted on following opportunities:

1. **Masters in Architecture and Design abroad**
2. **Masters in Architecture and Design India**
3. **Alumni Entrepreneurs**
4. **Alumni practicing with Eminent Architects**
5. **2nd Gen Architects**
6. **Out of the box**

We highly encourage your participation in these sessions, as they will provide invaluable guidance for your future.

On **5th November**, we have the privilege of hosting renowned architects, Ar. Sanjay Mohe and Ar. Navnath Kanade, for a special *Walk and Talk* session, followed by the screening of the film *KANADE* and a panel discussion.

Don't miss this chance to connect, learn, and grow.

Notice: Periscope session on Future Avenues

Dear Students and Faculty Members,

We are pleased to announce the **Periscope Event under the Future Avenues series, focusing on Yacht Design**. This event will introduce you to the unique and growing field of Yacht Design, along with potential career opportunities.

We are honoured to have Snehal Pisal, an experienced architectural designer with over 10 years of expertise, as our guest speaker. Snehal has a Master's degree in Yacht Design from Milan and is currently working in the field. She will be sharing her journey, insights, and answering any questions you may have.

The event is scheduled for **Wednesday, 10th January, from 3:00 PM to 4:00 PM**.

This is a great opportunity to explore a non-conventional design path, and we highly encourage your attendance.

We look forward to seeing you there!

Dear Students,

We are pleased to announce that **Dr. Mona Shah, an esteemed expert in Construction Project Management and a veteran in the academics of Real Estate and Built Environment**, will be visiting the campus to offer valuable insights on Industry 4.0 and its impact on the construction sector.

Dr. Shah would discuss how Industry 4.0 is reshaping the construction industry through digitalization and automation, emphasizing technologies such as the Internet of Things (IoT), real-time data access, AR-VR, and cost-based simulation. She will also highlight the potential for growth in India's construction market, which is expected to become the third-largest globally by 2025.

Her insights would encourage you to explore the future of real estate and the built environment, offering exciting avenues for research and professional growth.

We hope that this session will inspire many of you to engage more deeply with emerging technologies and their applications in the construction industry.

Dear Students,

All of you must be aware about our collaboration with Thomas Jefferson University, Philadelphia. We are pleased to announce that **Dr. Barbara K., Ar. Robert Fryer, Mr. Perry D'Amelio from Thomas Jefferson University, Philadelphia** will be conducting an online session to brief you about the education opportunities at their university.

The session will have information about various courses, admission criteria, documentation process and also scholarships. Considering the collaboration between the two institutes, they will also be offering special scholarships to students from Brick. Those who are looking for courses abroad can definitely think about this university. You may also browse through their website to know more about the relevant courses and be ready with your doubts before the session.

We would urge all of you to attend the session as it will help you in taking decisions about your future career path.

Notice: Periscope session in the international conference on ' *Blurred Boundaries* '

Dear Students,

Hope you all are aware about the **online International conference on 'Blurred Boundaries'**, our institute is hosting in the month of **September**. We are pleased to announce a very important session in the *Conference* which will provide exposure to you regarding various career opportunities at our partner universities. This session offers a unique platform to engage directly with university experts.

The session will be conducted into two parts:

1. In the first part, experts from various international universities will address the students and present the courses offered by their institutions.
2. This will be followed by an interactive Q&A session, allowing students to clarify any doubts.

The presentations from the universities will include the following key points:

- Detailed information about the courses offered, including course structure, credits, duration, pedagogy, and faculty involved.
- Guidance on the procedure and timeline for course applications.
- A thorough explanation of the application process, including visa guidance.

This session will be conducted simultaneously across four different online meetings, allowing students and delegates to choose the universities of their interest. We hope you take maximum benefit of this unique opportunity and register yourself for the conference.

Dear Students,

We are excited to announce an upcoming webinar titled "**Beyond Design: Construction Opportunities in Construction and Real Estate**". The event will be jointly organized by SMEF's Brick School of Architecture and the National Institute of Construction Management and Research (NICMAR), a leading institute in the construction industry. The details of the event are as follows:

Date: Wednesday, 6th October 2021

Time: 4:00 PM to 5:00 PM

Venue: Online webinar on the Webex platform

Guests:

Dr. Rahul Deshpande, Dy. Dean, School of Projects, Real Estate & Infrastructure Management.

The objective of this webinar is to brief students on the opportunities available for postgraduate studies at NICMAR, as well as career opportunities in the construction and real estate industries. This is a valuable opportunity for students to gain insights into the field and explore future academic and professional pathways.

We encourage all students to participate actively and take advantage of this insightful session

Notice: Brick to Boston: Interactive Session with Ar. Aditi Agarwal on her Journey to Harvard University

Dear Students,

We are delighted to inform you about the interactive session planned with **Ar. Aditi Agarwal**, a former faculty member of SMEF's Brick School of Architecture. Ar. Aditi Agarwal has recently graduated from *Harvard University's Graduate School of Design* with a Master in Design Studies, concentrating on *Energy and Environment*. She also holds a Master's degree in *Sustainable Architecture* from CEPT University, India.

In these challenging times of the global pandemic, Ar. Aditi will connect with you through a digital platform, sharing her inspiring journey to Harvard University. She will engage with you on her journey and also address queries regarding university selection, course choices, application processes, and portfolio preparation.

Details of the session are as follows:

Wednesday, 24th June 2020 from 6:30 to 7:30 on Google Meet platform

The session will be insightful and inspiring for you all, and the school plans to organize more such interactions, utilizing the digital platforms to provide continued guidance and support.

Hoping to see you all in great numbers!

Notice: Exposure to opportunities post B.Arch

Dear Students,

We are pleased to inform you about the session organized by the Career Counselling Cell on **Friday, February 7th, 2020**, post-college hours. The session will feature three esteemed professionals from various fields of architecture on campus for an interactive discussion with you all.

During the session, you will have the opportunity to formulate questions based on the expertise of the invited professionals. These queries will be addressed in detail by the guests, providing valuable insights and practical knowledge from their respective fields. Following is the list of speakers:

1. **Ar. Madhav Hundekar, Director at Mitimitra Consultants**
2. **Ar. Rohit Gadiya, Infill Studio, also preparing for UPSC Exam**
3. **Ar. Ravi Teja, Young Architect working at ISRO**

This session will be a great opportunity for students to deepen their understanding of architectural practices and explore diverse career perspectives.
Hoping to see you all in great numbers!
