## PROVISIONAL CERTIFICATE

**Swaroopo Pawar**, student of SMEF's Brick School of Architecture, worked in the above firm as office trainee from 4th June 2019 and has completed 112 working days of training. She is to come back and finish the 132 days committed to us to receive a more accomplished certificate.

Swaroopo is a hardworking, resilient team member. She is able to work under pressure without complaint, understands and follow instructions. While she has good drawing/3D skills, her need to quickly finish work comes in the way of producing work without mistakes. Over her tenure, she has worked on the basic construction drawing set for villas in Hyderabad/Rajahmundry.

She has been an active part of the office management – assisting with emails every day and hospitality regularly. This is highly valuable in a small office like ours, and we are very grateful to her for this. Besides, she was always been positive and on the top of other activities at the studio such as swimming, encouraging others to do the same.

We wish her the best for her jury.
